

P.A.R.C.

Dear Member,

I'm looking for 4 to 5 members to be a part of this team. Would you be interested?

What is P.A.R.C.

P.A.R.C. is an acronym which stands for Performance and Recruitment Committee.

The committee will be made up of 4 to 5 individuals from our "Local".

It was created for the purpose of increasing our membership and helping to find work for our musicians plus putting together working units.

It is also designed to come up with ideas and suggestions and submit them to the "Executive Board" for approval.

P= Performance: Helping to create work and put working units together.
Getting with High Schools & Community Theatres for shows, concerts, etc.

R= Recruitment: Reaching out for new members to be a part of a professional organization.
Contacting past membership.
Networking with local union and non union musicians.
Targeting High Schools, Colleges, Churches (Gospel), etc.
Setting membership goals each year with at least one "Recruiting Drive".

R=Retention: Keeping our members working.

R= Research: Who is and is not filing contracts within our jurisdiction and not paying work dues.
Researching newspapers, radio, web data, etc. for performers coming into & currently playing in our jurisdiction and reporting that information to the Secretary for the purpose of collecting "Work Dues" and policing within our own "Local".

If you are interested, please call Gary R. Stoeffler at C# 609-346-8680 or you can E-mail me at papastofe@comcast.net.

In Solidarity,
Gary R. Stoeffler
